Decision

1. Complainant Shri Siba Prasad Moharana is present. The PIO (OP) of the State Bank of India, Kapilprasad Branch, Mahatab Road, Bhubaneswar is absent. Heard the Complainant and perused his form A application dated 14/07/06 filed before the PIO.
2. It is seen from the documents that prior to submission of form A application, the Branch Manager of the Bank had given several replies to the Complainant suggesting removal of defects by him to

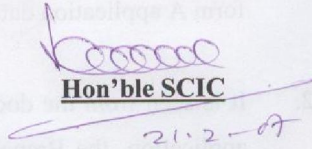

expedite his PMRY loan application. The first letter issued by the Branch is dated 19/09/05, second on 24/12/05 and the third on 18/07/06.

3. From the above it is clear that the form A application of the Complainant was found to be defective by the PIO and at the same time the Bank Authority with a view to safeguarding the interest of the Applicant had often intimated him to ensure proper filing of loan application, which is a legal document.
4. The Complainant Shri Moharana is however, free to submit fresh and correct application to the Bank and the District Industries Center (DIC) to collect the information required by him. He was advised to move the DIC concerned so that he can conveniently get the information which are really needed by him in relation to his application for PMRY loan.
5. With the above observations the case filed by the Complainant is dismissed.
