Decision

1. A churning of the factual matters with which the case is abounded, it is found that the Complainant has sought for the spot enquiry report dated 17/11/05 prepared by one of the Officers of BDA concerning the residence house of the Complainant. The inquiry report dated 17/11/05 prepared by the Amin of the Bhubaneswar Development Authority was provided to the Complainant in due time. But he is still not satisfied about the nature of enquiry conducted by the Amin.
2. Provision of the R.T.I. Act 2005(Act for short) cannot take cognizance of such unwarranted need of the Complainant. He sought for the satisfying information i.e. spot inquiry report dated 17/11/05, which the P.I.O. has already supplied to him. In case the Complainant needs some further information it is open to him to submit a fresh application with the PIO, BDA u/S 6 of the Act. It can be disposed of by the P.I.O. in accordance with provision of the Act.
3. In view of the above peculiar facts and circumstances of the case there appears no merit in the contention of the Complainant. Therefore, the complaint case is dismissed.
