Decision

1. Complainant Sri Sabita Kumar Senapati is present. Both the Opposite Parties (APIO and PIO) are present. Heard both sides. It reveals from record as well as in the submission of the parties that the Complainant has filed an application u/S 6 of the Act before the Opposite Parties on 31/05/06. The PIO has intimated the Complainant to deposit fees for preparation of the information on 12/06/06 and he deposited the said money on that very day. What is relevant is that on 12/06/06 the day on which actual deposit was made, the information is also delivered to the Complainant the same day.
2. From the submission of the Complainant, it reveals that he has need of some more information which are available with the director. There appears no legal impediment for him to submit a fresh application before the PIO office of the Director, Agriculture which is also an independent Public Authority. For the reason aforesaid, when the information has been provided to the Complainant by both the Opposite Parties expeditiously without least delay, there appears no merit in the Complainant, which is hereby dismissed.
